

Selamat datang!

To some, it's the taste of home — a Sunday family lunch at Ayam Penyet Ria in Jakarta. To others, it's the taste of adventure, first time trying Ayam Penyet on a business trip in Singapore. Same flavours, same memories of good times.

Celebrating flavours and 'handed-down' family traditions of Indonesian street food. Now, bringing the flavours from the streets of Indonesia to Australia. With no compromise on flavour and spice, staying true & authentic since 1998.

An aerial photograph of a lush green landscape featuring terraced rice fields. The terraces are carved into the hillsides, creating a series of concentric, wavy lines that follow the contours of the land. The surrounding forest is dense and vibrant green, with many palm trees visible. The overall scene is peaceful and scenic, capturing the beauty of traditional agriculture in a tropical setting.
